CONVENTION  
OF THE  
NEW JERSEY STATE FIREMEN'S ASSOCIATION

Wall Township, New Jersey 07727  
December 1, 2020

TO LOCAL FIREMEN'S RELIEF ASSOCIATION:

Secretary:

At the meeting of our Executive Committee held on November 21, 2020, the following recommendations were adopted:

WE RECOMMEND THAT INVITATION TO ELECT DELEGATES AND ALTERNATES BE EXTENDED TO ALL RELIEF ASSOCIATIONS WHO WERE IN ACCORD WITHIN THIS STATE ASSOCIATION AS OF DECEMBER 31, 2020.

PLEASE KEEP IN MIND N.J.S.A. 43:17-42 WHEN ELECTING THE CHIEF DELEGATE WE WILL NOT ACCEPT ANY OTHER NAME AS A DELEGATE FOR THE CHIEF EXCEPT THE NAME OF THE CHIEF THAT IS LISTED ON THE OFFICERS LISTING FORM THAT HAS BEEN SUBMITTED FROM EACH ASSOCIATION.

WE FURTHER RECOMMEND THAT THE CREDENTIALS OF DELEGATES AND ALTERNATES ELECTED BE FILED IN THIS STATE ASSOCIATION OFFICE NOT LATER THAN MAY 1, 2021 FOR CERTIFICATION OF DELEGATES AND ALTERNATES AS TO THEIR ELIGIBILITY TO SERVE.

COPY OF THE RECOMMENDATIONS TO BE MADE PART OF THE INVITATION AND RECORDED IN THE ABRIDGED REPORT OF THIS MEETING IN FULL.

ANY ASSOCIATION WHICH MAY FAIL IN FILING ITS CREDENTIALS BY MAY 1, 2021, WILL NOT BE SEATED AT THE 2021 CONVENTION.

Therefore, we wish to announce that the ONE HUNDRED FORTY-FOURTH ANNUAL CONVENTION OF THIS STATE ASSOCIATION will be held in CONVENTION HALL, located at Birch Avenue and the Boardwalk, Wildwood, New Jersey, on the 17th and 18th of September 2021.

THE FIRST SESSION OF THE CONVENTION will be called to order promptly at 1:00 o'clock FRIDAY AFTERNOON, SEPTEMBER 17, 2021, and the SECOND SESSION will be held on SATURDAY MORNING, AT 10:00 o'clock, SEPTEMBER 18, 2021.

Registration:	Friday	9:30 a.m. to 12:30 p.m.
	Saturday	7:30 a.m. to 9:45 a.m.

THE INDIVIDUAL CREDENTIALS WILL BE FORWARDED TO ALL ASSOCIATIONS, WHICH HAVE FILED THE NAMES OF THEIR DELEGATES ELECTED ON OR BEFORE MAY 1, 2021.

Fraternally yours,

*Thomas J. Petaja*

### President's Message

#### CHIEFS, DELEGATES, LIFE MEMBERS

The Officers and Executive Committee of the New Jersey State Firemen's Association would like to welcome everyone to the walk-through elections of your County Representatives. Although health and safety conditions have improved as compared to last year, your State officers and Executive Committee felt that we should still take a cautious approach to activities this year. We ask for your patience as we try to take care of the necessary business of the Association.

The elections for State Officers and four ballot questions will take place in Wildwood on Friday 9/17 at the Convention Center from 9 am to 3 pm. Information is available on our website and from your local relief secretary. We will not have full convention sessions and we will be creating a Memorial Service video which will be available on our website later this year.

Over the past year your Officers, along with the Executive Committee, continue to move the Association forward in a very positive and effective manner. We currently have three programs that the NJSFA administers to assist our members and their families.

The Healthcare Program continues to be a success with our members. So far during this calendar year, we have over 120 Firefighters participating in the program. Effective July 1, 2020 the maximum monthly reimbursement was increased to \$5,000.00. This program is available to any member who is receiving care from a licensed caregiver working with a licensed health care firm. The Firefighter can be receiving that care at home, an adult day care facility, a rehabilitation facility or a long-term care facility. Since the inception, over 265 Firefighters from all 21 Counties have enrolled in this program.

Starting January 1, 2021, the Healthcare Program was opened up to spouses that need care from a licensed caregiver. Spouses of current members and non-remarried surviving spouses of deceased Qualified Firefighters will be able to receive a monthly maximum of \$600.00 in reimbursement towards the cost of care from a licensed caregiver working with a licensed health care firm. The eligible spouse can be receiving that care at home, an adult day care facility, a rehabilitation facility or a long-term care facility. Since the start-up in January, over 40 spouses have enrolled in this program.

On July 1, 2019, the Burial Benefit was raised to \$12,000.00 and Line of Duty to \$36,000.00. Any Local Relief Association Officer can submit the initial online notification form and should do so as soon as you hear of a member passing, even if that member passed a number of years ago. The benefit payment will be prorated and paid based on the allowable amount on the date of their passing. In the fiscal year that just ended June 30<sup>th</sup>, over 1,070 claims were paid totaling over \$12,000,000.

Relief applications are available to all members should a need suddenly occur in their lives. Completed Applications with supporting documentation are reviewed by the Local Association for approval. Surviving spouses of qualified members are also eligible to apply for Relief. In addition, if the need is there, Special Relief and Supplemental

Relief forms should be filled out and submitted to the State Office for approval. Once approved by the Advisory Committee, the State Office will issue a check for the approved Special Relief amount and notice will be sent to the Local Association on the approved amount that they may pay towards the Supplemental Relief request. As always, supporting documentation must be submitted with the applications.

For the year of 2019 and moving forward, we made a change to the percentage calculation used to determine Qualifying Status. We eliminated the platoon system and lowered the minimum necessary percentage to 25%. This resulted in a near doubling of those that met the minimum qualifying percentage statewide.

The allowable age for joining our Association has changed. Active Firefighters from age 18 to 57 can now join. Applications must be received in the State office prior to the applicant turning 58. Local Associations should be using State Office supplied Applications for Membership with a revision date of either REV 5/19 or REV 7/21. Applications sent in with an earlier revision date will be returned and a new current application will need to be submitted. The physical on the application is now good for one year from the date of the physical and the physical can be administered by and signed by a New Jersey licensed Physician, Physician's Assistant or Nurse Practitioner.

All of the Field Examinations for last year were postponed. The "2020" Field exams will be scheduled this fall and we are requesting only the local secretary and treasurer attend. Local Applications for Relief are being collected from those Associations scheduled to be examined this year and they will be reviewed in the State Office. Once reviewed, the Applications will be returned at the Field Exams or to your County Executive Committeeperson to return to the Local Associations Officers. Going over the applications at the State office has allowed the review to ensure need, and that the proper additional documentation is attached to the applications. Everyone is reminded that for Relief to be paid, "NEED" must be demonstrated and fully documented.

At some point in your life, you may find yourself needing the type of services offered by the New Jersey Firemen's Home. Contact the Firemen's Home or any of the County Manager's to the Home for information on the application process to become a Guest of the Home. The New Jersey Firemen's Home is funded by the same insurance tax that funds the Local Relief Associations and the NJSFA State Office.

Included in this packet of material is information from the "A Gift from Captain Buscio" program, Deborah Heart and Lung Center, RWJ/St. Barnabas Burn Center, and the NJ Chapter of the Leukemia & Lymphoma Society. Please review this literature with your fellow members and take advantage of the services being offered. We have also included reports from other statewide agencies and organizations that affect both career & volunteer Firefighters.

In closing I would like to thank our outstanding Office Administrative Staff, the State Officers, the Executive Committee and all of the Local Relief Officers for the assistance, cooperation and support this past year. The Local Relief Officers deserve extra thanks for getting their reports in on time. We have only three Associations not being seated this year due to reports submitted late.

Please remember to keep in your prayers our sick and departed brother and sister Firefighters, their family members, the members of our Armed Forces stationed around the world, and all of our Police, Fire and EMS first responders.

Thank you and may God Bless America.

President's Informational Report -7/19/2021

1. A bill has been signed by the Governor changing the allowable age for membership from a maximum age of 45 to a maximum age of 57. If you have any ACTIVE Firefighters, age 57 or less, who are not in the Relief Association, please get that Firefighter to fill out an application (version REV 5/19 or REV 7/21), get a physical, and send it in. Applications must be received in the State Offices prior to the Firefighter turning 58.
2. There will be a walk-through election/voting in Wildwood this year on Friday, 9/17. Voting hours will be 9 am to 3 pm and you will be voting on the State Officers and 4 resolutions. The "Convention Delegates/Life Members' Affidavit" will need to be filled out this year by each attendee and the forms become part of the Secretary or Treasurer records. Those forms do not need to be sent to us but must be available when we do Field Exams. We are asking counties to come at specific times to try to spread out the voting so there is not a huge line. It is not mandatory, you can still come any time between 9 and 3, but it is a strong suggestion. The suggested county times is on our website and will be mailed to secretaries.
3. There will be four (4) ballot questions to vote on this year.
  - a. Approval of the Red Book – 2020 Caucus/Convention results and reports. A copy was mailed to each local association Treasurer and is available to read on our website.
  - b. Affirming the results of the elections of Executive Committee people and Firemen's Home Managers from the County Caucuses being held this year.
  - c. Selecting Wildwood as the location of the Convention for two additional years – 2025 & 2026.
  - d. A Resolution was submitted by 22 Local Associations from 7 different Counties that directs the State Officers to pursue State Statute changes that would eliminate the Board of Managers to the Firemen's Home and have the Home come back under the direction of the Executive Committee and bring it back in as one of the programs under the NJSFA where it originally started.
4. Caucuses will be walk-through elections/voting to elect your Executive Committee person and for five counties, your Firemen's Home Manager. The five counties that have the Manager up for election this year are Atlantic, Bergen, Gloucester, Ocean & Sussex. Because we are having a function in Wildwood, there will be no payment for attending the Caucus. As in past years, there will be a \$100.00 penalty for Delegates not attending the Caucus. That penalty will be deducted from the funds they receive for attending Wildwood. As you leave the Caucus/election, you will be handed a packet of reports and information that would normally be given in Wildwood.

5. The Five-Mile Beach Association runs the apparatus display and the "tents". The NJSFA has nothing to do with those activities. The NJSFA also has no control or influence on the hotels, motels, condos or restaurants. Those are privately owned entities and they do not answer to us. For information on the Five-Mile Beach activities, go to their website at [www.njfireexpo.com](http://www.njfireexpo.com). I believe they will be having something, but you need to check with them.
6. At the February Executive Committee Meeting, Edward R. Mullen, CPA, Treasurer of the Iselin FRA, was appointed Treasurer for the NJSFA for the balance of the year. Ed had worked with former Treasurer Barry Osborn in the past and was instrumental in getting the Associations that lost their IRS status back in accord. Ed is also the Treasurer for the New Jersey State Fire Chiefs Association. The Treasurer's position definitely needs someone with a CPA background and we hope you will support Ed at the election in Wildwood in September.
7. A bill was introduced in the Assembly (A5210) concerning the Firemen's Home. This bill has now been pulled from consideration by the proposer and is dead.
8. Starting January 1, 2021, the Health care program was expanded to include spouses of current members and non-remarried surviving spouses of Qualified deceased members. Eligible applicants will be able to receive a monthly maximum of up to \$600.00 in reimbursement towards the cost of care from a licensed caregiver working with a licensed health care firm. This is toward the care balance not already being reimbursed from other sources. The eligible spouse can be receiving that care at home, an adult day care facility, a rehabilitation facility or a long-term care facility. This is the same starting level we originally used for members until we were able to determine actual usage. As of this report, we have over 40 spouses from 18 counties that have enrolled in the program.
9. The Health Care program for Firefighters is working well. During the calendar year 2020, 124 members received reimbursement toward their direct health care. This is a reimbursement program assisting with the costs of health care at home, an adult day-care facility, a long-term care facility or a rehab facility. The care must be received from a licensed caregiver working with a licensed health care firm. Members can receive up to \$5,000 toward the care balance not already being reimbursed from other sources. The funds are paid out from the State Office. This is separate from the Relief program and income is not a factor. The reimbursement program begins in the month that the NJSFA Advisory Committee approves the application and is not retroactive. Over 265 Firefighters have benefited from this program since inception and we currently have 120 members in the program this calendar year. Every County in the State has had members enrolled in the program at one time or another.
10. Field Exams were postponed last year and our plan is to start doing the "2020" Associations after the Convention. We will be collecting the Relief applications from those Associations for review in the State Office. Those Associations needing to submit the Relief Applications will be notified and can coordinate with your County Executive Committeeperson to have them collected and eventually returned. We are asking for only the local secretaries & treasurers to attend the Field exams.
11. Local Association Presidents, Vice Presidents & Chiefs now have their own log-in tab on our website and can now submit the Initial Notice of Death form online, just as the Secretary and Treasurer can.

12. Last year, we created a Memorial video to put on our website to remember those Firefighters that would normally be honored at the Convention Memorial Service. We will create this video each year moving forward so that family, friends and colleagues can view the service at any time. This year's video will be created after September's Wildwood walk-through election event.
13. Special Relief & Health Care payments during calendar year 2020 to our Brother & Sister Firefighters from the State Office were up over 222% compared to the prior year for a total of \$2,440,284.17 paid.
14. Burial claims paid for the calendar year of 2020 were 1,067 claims in the amount of \$12,068,462.11. This is an increase of \$1,269,589.60 or 11.76% compared to the previous year.
15. If any of the Local Association Officers are having problems signing on to their section of the website or are having problems completing or finalizing reports online, please call the NJSFA State Office immediately so that we can resolve the issue.
16. At this time, we have three Associations not seated for this year's Convention for failure to submit reports on time and those Associations cannot take administrative expenses this year.
17. A new Year-To-Date Relief Paid Report is available for Treasurer's to use when completing their 2020 Annual Financial Report. It takes the information submitted on the four Quarterly Relief Reports for a calendar year and summarizes the information on one report. Next year, after you finalize the 4<sup>th</sup> Quarter Relief Paid Report, you will be able to import the information directly to your Annual Financial Report.
18. Treasurers: if your bank is not directly sending copies of your monthly bank statements to us, you can take your copy, get two other officers to sign it as reviewed, and then scan and send it to us at [bankstatements@njdfa.com](mailto:bankstatements@njdfa.com). You can also use [LocalReports@njdfa.com](mailto:LocalReports@njdfa.com).
19. It is mandatory that the following reports be completed/finalized online. We will no longer accept paper, faxed, or emailed copies of these reports or forms:
  - i. All Quarterly Relief Paid Reports.
  - ii. Local Relief Association Officer Listing Report
  - iii. 2021 Convention Delegate selection forms which is due 5/1/2021
  - iv. All Initial Notice of Death forms (#300) filed after 1/1/2021
  - v. All Maintenance forms (#108) filed after 1/1/2021

### Vice Presidents Caucus Report:

Hello Fire Chiefs, Delegates, and Life Members.

The officers of the New Jersey State Firemen's Association have made many improvements to our website allowing more of the Local Relief Association Officers to access information. [www.njsfa.com](http://www.njsfa.com) please check it and keep up to date with association business.

The age bill moving through the legislature and being signed by the governor was another large step forward. This could not have been accomplished without the membership pulling together and contacting their local legislators and requesting support for this change.

Many of you have seen my updates on Facebook and I believe this is a great way to keep our members up to date with the most current information.

The Executive Committee has extended the Emergent Covid-19 housing program until their Feb. 26, 2022, meeting.

At the Convention, this year you as Delegates and Life Members will have the opportunity to reshape the Association. An opportunity like this has not happened since the 19<sup>th</sup> Convention held in Cape May on Sept 30, 1896. At this Convention then President Bird Spencer furthered the cause for a Firemen's Home for the aged and indigent firefighters of this state. In his report he outlined his proposal and recommendation that a board of managers be in place to operate and manage the home. He then requested the Executive Committee to prepare legislation for submission to the legislature. In 1897 President Spencer appointed a committee of eleven (11) including himself as president, the association Secretary, Treasurer two (2) Firefighters and 1 member from Each of the 8 legislative districts at that time to oversee legislation and get the home operational. They arranged for the purchase of the Lethrop Estate using the Associations 2% funds, ultimately then Governor Briggs appointed these firefighters as the first board of managers to the home when it opened in 1900.

As Delegates and Life Members of this great association you will have the opportunity to vote on Ballot Question #1. A yes vote will direct the Executive Committee to seek changes to the laws that govern the Firemen's home eliminating the board of managers and bringing the management, control, and oversight of the Firemen's Home to the Executive Committee who have successfully guided the association since its inception in 1885. It is important to remember that the association in 1896 when the home was formed was not as structured as it is now. There was no state office or office staff to manage the many day-to-day operations. The Firemen's Association successfully provides a \$12,000.00 Burial Benefit with a \$36,000.00 line of duty payout. They put in place a Special Relief Program thereby equally allowing every relief association to provide its members with up to \$8,000.00 in relief with Supplemental relief still available. They manage the Health Care Reimbursement program providing in-home or nursing home care anywhere the firefighter resides in the continental United States, they are reimbursed up to \$5,000.00 for Firefighters and \$600.00 for their spouses, this is a program that will undoubtedly grow.

I am confident the management of the Firemen's Home will be more receptive and responsive to the firefighters of this state with your Yes vote and continued support when called for when notifying the legislature to make the necessary changes to the existing laws. Remember like the recent age change. We can accomplish great things if we all come together.

#### **Secretary's Report**

First and Foremost, I would like to thank the Officers, Office Staff and you the members of this great Association for your help, assistance and encouragement in making this job easier and more efficient.

During this past year, the officers and staff worked diligently to streamline operations and to make things easier for the local associations. We continue to improve our website and digitize and simplify many of our forms.

I am happy to report that we processed 1457 applications for membership. Of these applications there were 315 Applications for members who applied under the new age guidelines. We had 333 members achieve Life Membership and 667 members received their qualification last year. Unfortunately, we had 1,071 members answer their last alarm, may they rest in peace.

I would like to remind everyone that our office stands ready to answer any question that our members may have. You can contact us by either telephone or email. Our phone number and email addresses are located on our website [www.njsfa.com](http://www.njsfa.com).

In closing I would like to say that it has been an honor to serve all of our members and I hope that you have the confidence in me to continue to serve you in the future.

Respectfully submitted,

Thomas J. Pelala  
Secretary

## MEMORIAL COMMITTEE REPORT - 2021

---

The Officers and Members of the New Jersey Firemen's Association are here to Honor those that have served their communities during the last year.

With the passing of time each year, it is with solemnity that the Memorial Committee renders this report.

The Great Chief of us all, in his infinite wisdom has called 1,071 Firefighters from our midst, and we pray that they rest in peace.

As we remember them, let us call to mind those who have served this great Association with Honor.

Members who have served as Officers, Board of Managers and Committee Workers:

ERNEST J. GREENWALD, SR. President Emeritus  
New Jersey State Firemen's Association  
— Burlington County

BARRY J. OSBORN Treasurer  
New Jersey State Firemen's Association  
— Ocean County

STEVEN M. CATENA Board of Managers  
— Monmouth County

DONALD DRAKE Resolutions Committee  
— Sussex County

JAMES M. GRESCHAK Finance Committee  
— Mercer County

ALAN E. TYNAN Legislative Committee  
— Warren County

MALCOM R. BURD, JR. Legislative Committee  
— Ocean County

FRANCIS G. OSUCH Badge Committee  
— Union County

And, also those who lost their lives in the **LINE OF DUTY** as they served their respective communities.

GEORGE R. KAVANAUGH - Somerville Engine Company # 1 - Somerset County

DAVID N. CLARK - Bay Head Fire Co. # 1 - Ocean County

VICTOR MELILLO - Irvington Fire Department - Essex County

They were all ideal Firefighters, courageous, intelligent, and efficient.

The world is a better place for their having lived in it, and their memory is a valued possession to all who knew them.

To the family and friends of all our departed Members, we extent our deepest sympathy.

This concludes the report of the Memorial Committee.

Brian J. Lynch, Chairman

**FIREMEN'S PRAYER**

---

When I am called to duty, God  
Wherever flames may rage  
Give me strength to save a life  
Whatever be it's age.

Let me embrace a little child  
Before it is too late  
Or save an older person from  
The horror of that fate.

Enable me to be alert  
And hear the weakest shout  
And quickly and efficiently  
To put the fire out.

I want to fill my calling  
To give the best in me,  
To guard my friend and neighbor  
And to protect their property.

And, if, according to Your will,  
I have to lose my life  
Please bless, with Your protecting hand,  
My family and my wife.

To: Officers and Members  
New Jersey State Firemen's Association

In the course of their duties during the past year, the Finance Committee of the Association has met three times at the Wall Township office and each time has conducted an in-depth review and audit of the Association's accounts. These meetings were held on November 16<sup>th</sup>, May 10<sup>th</sup>, and July 20<sup>th</sup>. In the course of these audits, the Treasurer was available to provide explanatory assistance to the satisfaction of the Committee when and if needed.

The first two meetings reviewed the 1<sup>st</sup> and 2<sup>nd</sup> quarters respectfully and the third meeting reviewed both the 3<sup>rd</sup> and 4<sup>th</sup> quarters together. The reviews covered the reconciliation of all checks, vouchers, ledger entries and bank statements for the General fund, Burial Fund, Pension, General Checking, Assessment and Special Relief accounts. The Association income documents, bank statements, and credit and debit documents were found to be accurate and in satisfactory condition.

No recommendations for changes were made at the conclusion of these audits and this report.

Very truly yours,

Robert C. Kepler, Jr., Chairman

Edward A. Pettit, Jr.

## Resolution Of The Point Pleasant Beach Firemen's Relief Association, Ocean County

**Whereas**, The concept of a firemen's home for old and disabled firefighters was first brought up at the New Jersey State Firemen's Association's 11<sup>th</sup> Annual Convention held in Paterson on September 25<sup>th</sup>, 1888 by Delegates of the Hoboken Firemen's Relief Association; and,

**Whereas**, No further action was taken until 1896 when Association President Bird W. Spencer outlined a proposal in his report at the 19<sup>th</sup> Annual Convention held in Cape May September 30, 1896 that the Executive Committee prepare Legislation for submission to the Legislature; and,

**Whereas**, In 1897 Association president Spencer appointed a committee of 11 including himself, the association Secretary, Treasurer, two firefighters and 1 member from each of the 8 Congressional Districts to oversee the legislative Process to get the home operational; and,

**Whereas**, In 1898 the home was established by legislature and opened in 1900 to be run by a Board of Managers including the President of the New Jersey State Firemen's Association; and,

**Whereas**, Recently some members of the New Jersey Firemen's Home Board of Managers have taken action to eliminate the voting rights of the New Jersey State Firemen's Association President, as well as meeting with legislators that resulted in that same legislator posting legislation that would have all the 2% tax collected go directly to the New Jersey State Treasury for payment directly to the Firemen's Home and, allow select home managers the ability to take out loans against anticipated revenue, and approve major construction without any oversight from the firefighters of this state and have each county lose their right to select their County Manager and taking away the lawful duty of the New Jersey State Firemen's Association President to appoint a Firemen's home manager should a vacancy occur; and,

**Whereas**, such actions by the Firemen's Home Board of Managers are contrary to the existing statutes governing the operation of the Firemen's Home and would disenfranchise the firefighters of every county with regard to the election of a representative to the Board of Managers;

**Now Therefore, be it Resolved** The Delegates and Life Members of the Point Pleasant Beach Firemen's Relief Association hereby request that if approved at the Annual Convention held in 2021, that the members of the New Jersey State Firemen's Association Executive Committee and State Officers propose an amendment to the existing statutes to eliminate the Board of Managers and to bring the management, control and oversight of the New Jersey State Firemen's Home under the New Jersey State Firemen's Association as one of the many programs it currently offers.

Financial Statements  
(Modified Cash Basis)

June 30, 2021 and 2020

### Independent Auditors' Report

#### **Executive Board New Jersey State Firemen's Association**

We have audited the accompanying financial statements (modified cash basis) of the New Jersey State Firemen's Association (the "Association") which comprise the statements of assets, liabilities and net assets (modified cash basis) as of June 30, 2021 and 2020 and the related statements of revenue, expenses and change in net assets (modified cash basis) and functional expenses (modified cash basis) for the years then ended, and the related notes to the financial statements.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the New Jersey State Firemen's Association as of June 30, 2021 and 2020 and its revenues and expenses for the years then ended in accordance with the modified cash basis of accounting as described in Note 2.

*Basis of Accounting*

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**New Jersey State Firemen's Association**

Notes to Financial Statements  
(Modified Cash Basis)  
June 30, 2021 and 2020

**1. Organization and Tax Status**

New Jersey State Firemen's Association (the "Association") is a not-for-profit corporation that was established through New Jersey State legislation. Its expressed purpose is to maintain a General Relief Fund that provides burial benefits to qualifying members. The Special Relief Fund was initiated to allow relief to be paid to those applicants of associations that cannot afford to satisfy the needs of an applicant when a major loss occurs due to illness or other incidents. The initial contribution of \$2,468,467 was made May 15, 2003. Benefits were made available beginning January 1, 2004.

The Association is a not-for-profit organization that is exempt from income taxes under Section 501(c)4 of the Internal Revenue Code (the "Code").

**2. Summary of Significant Accounting Policies*****Basis of Accounting and Use of Estimates***

The financial statements are prepared on the cash basis, modified for investments, which are stated at cost, and certain assets and liabilities related to insurance claims. The Association is capitalizing all costs related to its new building and is subsequently depreciating these costs. Consequently, revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when the obligations are incurred. Management has determined that the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("US GAAP"), as described above is an acceptable basis for the preparation of the financial statements in the circumstances.

***Net Asset Presentation***

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Association's net assets are classified as with or without donor restrictions. At June 30, 2021 and 2020, all the Association's net assets are without donor restrictions.

***Cash and Cash Equivalents***

Cash and cash equivalents include cash held in banks and money market funds with maturities of three months or less at the time of purchase.

***Investments***

Purchases and sales of investments are recorded on a settlement date basis. Realized gains and losses on investments are calculated based on the average cost method for mutual funds and first-in, first-out method for all other securities, and are reflected in the statements of revenue, expenses and change in net assets. Dividend income and interest income are recorded when received.

**New Jersey State Firemen's Association**

Notes to Financial Statements  
(Modified Cash Basis)  
June 30, 2021 and 2020

**2. Summary of Significant Accounting Policies (*continued*)*****Property and Equipment***

Property and equipment is carried at cost. Depreciation is computed using the straight-line method over the estimated useful life of the assets when placed into service. The Association uses a useful life of 39 years for the building, 7 years for furniture and 5 years for equipment.

***Revenue Recognition******Insurance companies' tax***

The Association receives a 2% levy on all fire insurance premiums from various insurance companies not domiciled in New Jersey. In addition, the Association receives a 3% surplus line on a quarterly basis from the Producers and Agents, who are in charge of the insurance policies. These monies when received are distributed to New Jersey Boroughs/ Townships that have local relief associations. The Association will then retain the remainder of the premium after disbursement is completed. These monies are recognized as revenue when received and are recorded as revenue without donor restrictions.

***State of New Jersey (999 Account)***

The Association will at times receive a 2% premium that cannot be directly correlated to a specific Borough or Township. This money is dedicated by the Association to the New Jersey Firemen's Home for their annual operating expenditures. Any remaining amount not required for the New Jersey Firemen's Home remains in the Association's general fund. This is recognized as revenue when received and is recorded as revenue without donor restrictions.

***Functional Allocation of Expenses***

The cost of providing various programs and other activities had been summarized on a functional basis in the statements of revenue, expenses and change in net assets. All costs are direct expenses to each functional category. Program services consist of benefit payments. All other expenses are considered management and general and unallocated payments to affiliated organizations.

***Concentration of Credit Risk***

Financial instruments that potentially subject the Association to significant concentrations of credit risk consist principally of cash and investments. The Association maintains its cash and cash equivalents at financial institutions which at times during the year may exceed federally insured limits. The Association has not experienced any losses on its deposits. Investments are managed by a professional investment management firm and are monitored by the Executive Board and an investment advisor engaged by the Association.

**2. Summary of Significant Accounting Policies (*continued*)*****Accounting for Uncertainty in Income Taxes***

The Association recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Association had no uncertain tax positions that would require financial recognition or disclosure. The Association is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to fiscal 2018.

***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that financial statements were available to be issued, which date is January 11, 2022.

**3. Investments**

Investments are carried at cost regardless of fair value at the end of the year. Gains and losses on investments are recorded upon disposition of the investment rather than providing for such gains and losses as they occur.

Investments of the Association consisted of the following at June 30:

	2021		2020	
	Cost	Fair Value	Cost	Fair Value
General Fund				
Bonds	\$ 27,628,923	\$ 22,848,036	\$ 32,589,653	\$ 28,637,451
Mutual funds	<u>18,145,522</u>	<u>17,236,172</u>	<u>16,911,522</u>	<u>17,941,590</u>

**4. Liquidity and Availability of Financial Assets**

The Association's financial assets and resources available to meet cash needs for general expenditures within one year of the date of the statement of assets, liabilities and net assets were as follows:

	<u>2021</u>	<u>2020</u>
Financial assets:		
Cash and cash equivalents	\$ 6,305,346	\$ 1,976,288
Escrow account receivable and other assets	16,863	2,299
Investments, at cost	<u>46,827,293</u>	<u>51,992,442</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 53,149,502</u>	<u>\$ 53,971,029</u>

As part of the Association's liquidity management strategy, the Association structures its financial assets to be available as its general expenditures come due. A majority of general expenditure over the next twelve months will be financed through cash and cash equivalents, investments and investment income.

**5. Property and Equipment**

Property and equipment consists of the following at June 30:

	<u>2021</u>	<u>2020</u>
Land	\$ 999,000	\$ 999,000
Building	5,815,541	5,815,541

Property and Equipment, net	<u>\$ 6,601,408</u>	<u>\$ 6,778,268</u>

**6. Retirement Plan**

The Association has a noncontributory defined benefit retirement plan which covers all eligible employees and executive committeemen. The Association's objective in funding the plan is to accumulate funds sufficient to provide for all promised benefits and to maintain a relative stable contribution level. Selected data as of June 30, 2021 follows:

Plan assets, at fair value	\$ 6,372,785
Projected benefit obligation	<u>10,277,695</u>
Funded Status	<u>\$ (3,904,910)</u>

**New Jersey State Firemen's Association****Notes to Financial Statements  
(Modified Cash Basis)  
June 30, 2021 and 2020****6. Retirement Plan (*continued*)**

The fair value of the pension plan assets is disclosed in the table below based on fair values and "levels" at June 30, 2021 and 2020. The relevant levels are based on the methodology for determining fair value: Level 1 inputs: valuation based on active markets for identical assets; Level 2 inputs: valuation based on significant observable inputs; and Level 3 inputs: valuation based on nonobservable inputs. The pension plan invests in mutual funds to meet its investment objectives. The asset allocation is based on the underlying assets of the various funds. The leveling is based upon each fund as the unit of measure. Mutual funds measured at fair value are valued using Level 1 inputs at June 30, 2021 and 2020 and are as follows:

	<u>2021</u>	<u>2020</u>
Mutual funds, at fair value	\$ 5,066,912	\$ 5,066,290
Cash, at cost	213,408	303,800
Certificate of deposits, at cost	1,092,465	1,085,921
<b>Total Plan Assets</b>	<b><u>\$ 6,372,785</u></b>	<b><u>\$ 6,456,011</u></b>

Expected annual benefit payments:

2022	\$ 704,805
2023	700,225
2024	698,277
2025	683,311
2026	680,926
2027-2031	3,220,316
Discount rate	3.00%
Expected return on plan assets	3.00%
Rate of compensation increase	2.00%

Contributions to the plan for the years ended June 30, 2021 and 2020 were \$512,161 and \$512,161.

(Modified Cash Basis)  
June 30, 2021 and 2020

**7. COVID-19**

The full duration and extent of the COVID-19 pandemic, related business and travel restrictions and changes to behavior intended to reduce its spread are uncertain as of the date these financial statements were available for issuance, as the pandemic continues to evolve globally. Therefore, the full extent of any adverse impact on the statements of assets, liabilities, and net assets and statements of revenue, expenses and change in net assets in fiscal year 2022 and beyond cannot be reasonably estimated at this time.

The COVID-19 pandemic has resulted in substantial volatility in the global financial markets. As a result, the Association's investments may have incurred fluctuations in their fair value since June 30, 2021. Because the value of the Association's investments has and will fluctuate in response to changing market conditions, the amount of losses, if any, that will be recognized in subsequent periods, cannot be determined.

#### Independent Auditors' Report

**Board of Trustees**  
**New Jersey State Firemen's Association**  
**Employees' Retirement Plan**

We have audited the accompanying financial statements of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and 2019, and related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the New Jersey State Firemen's Association Employees' Retirement Plan as of December 31, 2020 and 2019, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Employees' Retirement Plan**

Notes to Financial Statements  
December 31, 2020 and 2019

**1. Plan Description**

The following brief description of the New Jersey State Firemen's Association Employees' Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information. The Plan is a defined benefit pension plan.

The Plan is administered by the New Jersey State Firemen's Association (the "Association"). The Custodian of the Plan is U.S. Bank Institutional Trust and Custody ("U.S. Bank"). The Association has appointed U.S. Bank to hold investment assets and perform most administrative duties.

***Pension Benefits***

Employees are eligible for participation in the Plan after the completion of the later of the date the employee attains age 20 ½ or completes six months of service. Participants become fully vested in the Plan after 5 years of service. However, 10 years of service is required for early retirement benefits.

Benefits for participants retiring upon reaching the normal retirement age of 65 are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. The Plan also provides a cost of living adjustment.

An employee may elect early retirement after having reached age 55 and having completed 10 years of service. Benefits upon election of early retirement are reduced for each month by which the retirement date precedes age 65.

The normal form of benefit payment is a life annuity with 10 years certain for single employees and a joint and survivorship annuity basis for married employees. Several other options in the method of benefit payment are also available.

Participants who have attained the age of 70½ and are still working must commence collection of their pension benefits. In addition, participants will be able to accrue benefits for service beyond the age of 65.

**2. Summary of Significant Accounting Policies**

***Basis of Presentation***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"). The Plan is not required to make certain Department of Labor required disclosures as the number of eligible participants is less than 100.

**New Jersey State Firemen's Association  
Employees' Retirement Plan**

Notes to Financial Statements  
December 31, 2020 and 2019

**2. Summary of Significant Accounting Policies (*continued*)**

***Use of Estimates***

The preparation of financial statements in accordance with US GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein; disclosure of contingent assets and liabilities, and the actuarial present value of accumulated plan benefits at the date of the financial statements and changes therein. Accordingly, actual results could differ from those estimates.

***Fair Value Measurements***

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable inputs and are used to the extent that observable inputs do not exist.

***Investment Valuation and Income Recognition***

Fair value of investments in shares of mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of investments are recorded on a trade-date basis. Gains or losses on sales of investments are based on the average cost of investments. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well held during the year.

***Accumulated Plan Benefits***

Accumulated plan benefits are those estimated future periodic payments that are attributable under the Plan's provisions to services rendered by the employees at the valuation date. Accumulated plan benefits include benefits expected to be paid to present employees or their beneficiaries. Benefits for retired or terminated employees or their beneficiaries are based on Plan provisions at the time of retirement.

***Administrative and Investment Expense***

Administrative and investment expenses are paid by the Plan. Investment expenses are included in net appreciation in fair value of investments.

**New Jersey State Firemen's Association  
Employees' Retirement Plan**

Notes to Financial Statements  
December 31, 2020 and 2019

**2. Summary of Significant Accounting Policies (*continued*)**

***Payment of Benefits***

Benefit payments are recorded upon distribution.

***Risks and Uncertainties***

The assets of the Plan are primarily financial instruments which are monetary in nature. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect the changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts in the statements of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2020 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.

***Concentration of Credit Risk***

The Plan maintains its cash and cash equivalents including certificates of deposit at financial institutions which at times during the year may exceed federally insured limits. The Plan has not experienced any losses on its deposits.

At December 31, 2020 and 2019, one diversified fixed income mutual fund, affiliated with the custodian, represented 100% of the Plan's investment portfolio.

***Accounting for Uncertainty in Income Taxes***

Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition or disclosure. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for the periods prior to 2018.

**New Jersey State Firemen's Association  
Employees' Retirement Plan**

Notes to Financial Statements  
December 31, 2020 and 2019

**2. Summary of Significant Accounting Policies (*continued*)**

***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is January 11, 2022.

**3. Certificates of Deposit**

Certificates of deposit are stated at cost plus any accrued interest (which approximates fair value). The certificates of deposit at December 31, 2020, bear interest ranging from 1.00% to 1.38% and mature at various dates from June 2024 through June 2025.

**4. Investments**

As of and for the years ended December 31, 2020 and 2019 all of the Plan's investments, which consists of one diversified mutual fund, bought, sold and held was a Level 1 investment.

**5. Actuarial Information**

Accumulated plan benefits are those future periodic payments that are attributable under the Plan's provisions to the service employees have rendered. They include benefits expected to be paid for (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. The accumulated plan benefits for active employees are based on 65% of the average annual compensation reduced pro-rata for years less than 25, based on the previous 12 month period. Benefits payable under all circumstances including retirement, death, disability and termination of employment are included to the extent they are deemed attributable to employee services rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an independent actuary, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the valuations as of January 1, 2021 and 2020 were (a) life expectancy of participants (the mortality table RP2020 for 2020 and 2019), (b) an assumed retirement of the earlier of age 55 and 10 years of service or age 65 and five years of service and (c) an assumed average rate of return of 3.00% for 2020 and 3.54% for 2019.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Actuarial Present Value at the End of the Year	<u><u>\$ 10,125,808</u></u>	<u><u>\$ 7,746,893</u></u>

**6. Funding Policy**

The Association's policy is to fund the Plan annually at the minimum level required under the Employee Retirement Income Security Act of 1974 ("ERISA") regulations as computed by an independent actuary.

**7. Income Tax Status**

The Internal Revenue Service has determined and informed the plan administrator by a letter dated March 30, 2018, that the Plan and related trust were designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**New Jersey State Firemen's Association  
Employees' Retirement Plan**

Notes to Financial Statements  
December 31, 2020 and 2019

**8. Plan Termination**

Although it has not expressed any intent to do so, the Association has the right to terminate, discontinue making contributions to, amend or modify the Plan at any time, acting through written resolution of the controlling entity of the Plan. Upon termination of the Plan, participants will become fully vested in their benefits earned to date.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency at that time, of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the plan sponsor and the level of benefits guaranteed by the PBGC.

## NEW JERSEY FIREMEN'S HOME

**July 2021**

### **ANNUAL REPORT**

The Board of Managers would like to report on some of the activites at the New Jersey Firemen's Home this past year.

Since our last report there have been 27 admissions to the home. There were 12 deaths none of which were COVID related. On July 1<sup>st</sup> there were 48 guests at the home. There are 13 Applications that have been received and are either approved awaiting admission or being reviewed by the medical staff and the applications committee. Once these applications are approved our guests will total 61. There are another 40 applications that have been provided to firefighters or families seeking information as to the process of entering the home. The first female firefighter was admitted to the home this spring.

In January we began preparations for the guests and staff to receive COVID Vaccinations. All of our guests and most staff received both shots. Testing on a regular basis continued for guests and staff and in April a few tested positive for the virus but had minor or no symptoms. Currently we continue to be cautious requiring all to wear masks and have their temperature taken as they enter the home. Two surprise Infection Control Inspections were conducted by the New Jersey Department of Health, with no violations noted.

Our new Superintendent, John Veras is completing his first year in the position. Working with the managers, he has brought forward many improvements to the Home. A physical therapist is now on staff working two days a week providing much needed therapy. A new Psychiatrist is on staff who has been very helpful providing regular visitation with guests as well as providing assistance to applicants in completing the required examination necessary for admission. An Occupational Therapist has been added to the staff. Some administrative functions have been reduced or combined with existing staff. A renovation to the dining area will begin soon. Installation of Negative Pressure Air Flow has been added to several guest rooms to isolate infection. The long awaited revamped television service offering 76 channels of HDTV is a reality. We look forward to working with John in improving the guests experience as well as improved relationships with staff.

The construction of the new Memory Care Unit and other improvements is complete. We are currently waiting for final certifications from the State Department of Health so that we may begin occupancy. The construction took longer than anticipated. We have hired a special

Construction Attorney to sort out extra claims and issues between the Architect and Contractor before final payments are made.

Some restrictions have been lifted by the State Department of Health. With the better weather BBQ's are held outside and visitations are being permitted on an appointment basis. We are hopeful that these restrictions will be lifted soon so that our program and procedures will return to normal.

During the year Assembly Bill 5210 was proposed by Assemblyman Burzichelli. That proposed legislation has been withdrawn. We feel it necessary to clarify some of the discussions in various circles around the state. The Board of Managers were on record very early on as to any change in how the 2 percent monies are collected and dispersed. In fact, we received written confirmation from the sponsor in a letter dated February 12, 2021 that any change would not be included in any future version of the legislation. He also stated that he would not endorse or jeopardize any ongoing or future benefits that are available to New Jersey Firefighters. Additionally, the Board of Managers have sent suggested changes to the initial proposed legislation. Most importantly, Election to the Board of Managers to continue with elections by the firefighters in each county. Other items that were proposed in the legislation we feel will better clarify and serve the operation of the Board of Managers and the home.

Upon research of the incorporation of the Board of Managers the Home was authorized through Legislation of the Senate and General Assembly of the State of New Jersey. A committee consisting of, President of NJSFA along with representatives from 8 Congressional Districts, the Commissioner of Banking and Insurance and the Comptroller of the State of New Jersey, was charged with finding a proper and suitable firemen's home for the aged, indigent and disabled firemen of this state. An amount of \$75,000.00 was established to provide for purchase and furnishing said home. A purchase Mortgage was paid by funds of the Home derived from the 2 percent monies dedicated to the Home. This money was to be provided by the Commissioner of Banking and Insurance. Upon completion and reporting to the Governor of the State of New Jersey, any monies remaining shall be turned over to the BOARD OF MANAGERS to be used for the support and maintenance of said home.

When said commissioners reported the home ready for occupation, the Governor appointed from the active or exempt firemen of the state, eight persons representing each congressional district along with the President of the NJSFA for the time being, the Commissioner of Banking and Insurance and the Comptroller of the state for the time being, shall be the Board of Managers. From and After the appointment of such board of managers the government, management, care and conduct of said home shall devolve upon and be vested in said Board of Managers. Matters pertaining to the operation of the home required approval of the Governor.

Since 1899, upon satisfaction of the Mortgage, title has been vested and remains with the Board of Managers since inception. This was reaffirmed by the State of New Jersey Legislature and the Governor in 1962.

Based on this history the home continues to be managed by the Board of Managers, much the way initially intended, consisting of firefighters representing every county, and under supervision and approval of the Governor.

The Board is most grateful for the continued support from the many businesses, fire companies, county and local associations and all others who donate their time and money for the well-being and happiness of the Guests at the Home.

Very truly yours,

Anthony Frato, Sr.

Chairman Board of Managers

Board of Managers  
New Jersey Firemen's Home  
565 Lathrop Avenue  
Boonton, NJ 07005

We have audited the accompanying financial statements of the New Jersey Firemen's Home which comprise the statements of assets, liabilities and fund balance - cash basis as of June 30, 2021 and 2020 and the related statements of support revenue and expenses and changes in fund balance - cash basis for the years then ended and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects the assets, liabilities and fund balance - cash basis of the New Jersey Firemen's Home as of June 30, 2021 and 2020 and its support revenue and expenses and changes in fund balance for the years then ended, in accordance with the cash basis of accounting as described in Note 1.

**Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**NEW JERSEY FIREMEN'S HOME  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

**Nature of Business**

The New Jersey Firemen's Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

**Cash and Cash Equivalents**

For the purpose of the statements of assets, liabilities and fund balance – cash basis, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

**Medical Fund**

The medical fund has been established to collect and disburse funds on behalf of the guests. An individual medical account is maintained for each guest in the New Jersey Firemen's Home. The funds are not segregated, and interest earned on such funds is retained by the New Jersey Firemen's Home. The individual accounts are maintained to record the funds collected and disbursed on behalf of the guests.

The primary sources of funds collected on behalf of the guests include: Social Security benefits, pensions and personal remittances from guests or their families. The primary sources of funds disbursed on behalf of the guests include: room and board charges, medical expenses and various personal expenses. Statements are mailed to guests' families/responsible parties on a quarterly basis. When a receivable has resulted, i.e. more funds disbursed than available, the families/responsible parties are requested to remit such.

Upon admission, guests are requested to grant the New Jersey Firemen's Home a limited power of attorney to execute the aforementioned transactions. Upon the expiration or discharge of a guest, any remaining balance is returned to the guest or the guest's estate after all anticipated expenses have been paid. Such release of funds is approved by the Board of Managers. Should a deceased guest have a balance in excess of \$500 upon death, a statement which lists the executor is required from the local county surrogate.

**Fixed Assets**

Fixed assets are maintained in the Property Fund. Asset acquisitions with a cost of \$1,000 or more have been capitalized. Depreciation is computed on a straight line basis over the useful lives of the assets generally as follows:

Buildings and Improvements	10-50 years
Furniture and Equipment	5-10 years
Vehicles	5 years

NOTES TO FINANCIAL STATEMENTS (Continued)**  
**JUNE 30, 2021 and 2020**

**NOTE 1 (Continued)**

Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as paid.

**Estimates**

Management uses estimates and assumptions in preparing the financial statements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

**Income Taxes**

The New Jersey Firemen's Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

**Subsequent Events**

Subsequent events have been evaluated through August 26, 2021 and August 25, 2020, which are the dates the financial statements were issued.

**NOTE 3: GUEST TRUST FUNDS RECEIVABLE**

Consists of medical accounts of individual guests for which more funds have been disbursed than are available. Five guests had a combined balance of \$14,472 and \$24,493 at June 30, 2021 and 2020, which is greater than 41% and 48% of the totals.

**NOTE 4: GUEST TRUST FUNDS PAYABLE**

Consists of medical accounts of individual guests for which more funds have been collected than have been disbursed. Five guests had a combined balance of \$59,101 and \$73,298 at June 30, 2021 and 2020, which is greater than 70% and 72% of the totals.

**NOTE 5: INDIGENT GUEST EXPENSES**

Consists of medical accounts of former guests which had balances due to (from) the New Jersey Firemen's Home at the time of discharge/expiration. These accounts are deemed uncollectible by the Board of Managers.

**NOTE 6: PENSION PLAN**

The New Jersey Firemen's Home has a Pension Plan covering substantially all of its managers. The total Pension Plan expenses disbursed during the years ended June 30, 2021 and 2020 was \$12,000 and \$100,000, respectively. The organization makes annual contributions to the plan as determined by the organization's finance committee. Effective July 1, 2000 all staff employees are covered under the New Jersey Public Employees Retirement System and do not accrue any further benefits under this plan. Total employer contributions disbursed during the years ended June 30, 2021 and 2020 to the New Jersey Public Retirement System were \$570,075 and \$504,778. A comparison of accumulated plan benefits and plan net assets at the most recent valuation dates, July 1, 2021 and 2020 are presented below:

**NOTE 7: RELATED PARTY TRANSACTIONS**

The New Jersey Firemen's Home Medical Fund transferred a net \$2,613 and \$3,486 to the Operating Fund in the years ended June 30, 2021 and 2020. Investment fees and bank charges were included in the net transfers. Net transfers to the New Jersey Firemen's Home Property Fund of \$3,536,263 and \$2,235,816 were made in the years ended June 30, 2021 and 2020. Expenditures for additions are made by the Operating Fund and recorded as interfund transfers. Administrative expenses (consisting primarily of accounting, auditing and actuarial services) of \$21,601 and \$34,238 were paid by the Operating Fund on behalf of the Pension Plan in the years ended June 30, 2021 and 2020.

**NEW JERSEY FIREMEN'S HOME  
NOTES TO FINANCIAL STATEMENTS (Continued)  
JUNE 30, 2021 and 2020**

**NOTE 8: CONCENTRATION**

The primary source of support is the grant of \$10,995,600 received from the New Jersey State Firemen's Association (Title 54.18-8), which is the budget request for the year ended June 30, 2022. This amount represents 95% of total support. The budget request for fiscal year ended June 30, 2021 was \$11,843,000, which was received in fiscal year ended June 30, 2020 and represented 93% of total support.

**NOTE 9: RISKS AND UNCERTAINTIES**

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. declared states of emergency. The primary impact to the New Jersey Firemen's Home has been a reduced census and related guest fees. The Board of Managers has streamlined the application process in an effort to increase the census.

**NOTE 10: COMMITMENTS**

Effective August 15, 2005, the New Jersey Firemen's Home entered into a three year food services management agreement with Unidine Corporation, whereby Unidine Corporation will provide the food, preparation and service, including therapeutic diets for residents, staff, employees and authorized visitors. The initial term was for a three year period, and will renew for one year periods, unless terminated in writing. The cost is based on a daily rate (\$33.35 as of December 21, 2020, the most recent renewal date), and a minimum of 29,120 resident days. Total food service cost relative to this agreement was \$1,008,356 and \$1,017,634 for the years ended June 30, 2021 and 2020.

Effective October 17, 2006, the New Jersey Firemen's Home entered into an agreement with Healthcare Services Group Inc. (Healthcare) whereby Healthcare will provide all necessary management, supervision, labor and materials to perform housekeeping and laundry services on the premises of the New Jersey Firemen's Home. The New Jersey Firemen's Home will retain responsibility for definitive management of all Healthcare personnel performing under this agreement. All existing housekeeping equipment will be absorbed and utilized by Healthcare in performing its duties. Any repair of, replacement of, or addition to housekeeping equipment will be the responsibility of the New Jersey Firemen's Home. The value and utilization of the existing housekeeping equipment was a consideration in determining the service price. The term of service began on October 17, 2006, and will continue unless cancelled by either party, with 90 days written notice. Healthcare must be paid in full on the date of termination.

Total expense relative to this agreement was \$417,700 and \$402,883 for the years ended June 30, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS (Continued)  
JUNE 30, 2021 and 2020**

**NOTE 10 (Continued)**

On June 28, 2013 the New Jersey Firemen's Home entered into a three year agreement with eHealth Solutions Inc., d/b/a SigmaCare (since acquired by MatrixCare), whereby MatrixCare will provide a comprehensive Medical Software package allowing the New Jersey Firemen's Home to serve its guests' medical needs with greater efficiency and requires a monthly payment of \$1,874. This agreement will continue with successive one year periods unless either party provides a written termination letter with a 120 day notice. Total expense relative to this agreement was \$23,648 and \$18,644 for the years ended June 30, 2021 and 2020.

On June 8, 2017 the New Jersey Firemen's Home entered into a five year agreement to lease office equipment. This agreement requires a monthly payment of \$627. Future minimum lease payments are as follows:

**Independent Auditor's Report**

Board of Managers  
New Jersey Firemen's Home  
565 Lathrop Avenue  
Boonton, NJ 07005

We have audited the accompanying statement of cash receipts and disbursements of the New Jersey Firemen's Home – Operating Fund for the years ended June 30, 2021 and 2020 and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to in the first paragraph, present fairly, in all material respects, the cash receipts and disbursements of the Operating Fund of the New Jersey Firemen's Home for the years ended June 30, 2021 and 2020, in accordance with the cash basis of accounting as described in Note 1.

**Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. These financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter. These financial statements are being presented only for the fund referred to above and do not include the cash activity and capital additions recorded in other funds of the New Jersey Firemen's Home.

OPERATING FUND  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements have been prepared utilizing the cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The presented cash basis of accounting is the required method prescribed by the New Jersey Department of Human Services.

**Nature of Business**

The New Jersey Firemen's Home is located in Boonton, New Jersey. Nursing and residential care are provided to aged and indigent firemen who have served as a member of a New Jersey fire department for a minimum of one year.

**Cash and Cash Equivalents**

For the purpose of the statements of cash receipts and disbursements, management has defined cash and cash equivalents to be highly liquid investments, which include cash, certificates of deposit, and money market funds.

**Estimates**

Management uses estimates and assumptions in preparing the statement of cash receipts and disbursements. These estimates and assumptions affect the disclosures relating to the Pension Plan. Actual results could differ from those estimates.

**Income Taxes**

The New Jersey Firemen's Home is exempt from federal income taxes under section 501 of the Internal Revenue Code. It was incorporated as a non-profit organization under the laws of the State of New Jersey.

**Subsequent Events**

Subsequent events have been evaluated through August 26, 2021 and August 25, 2020, which are the dates the statements of cash receipts and disbursements were issued.

**NOTE 3: PENSION PLAN**

The New Jersey Firemen's Home has a Pension Plan covering substantially all of its managers. The total Pension Plan expenses disbursed during the years ended June 30, 2021 and 2020 was \$12,000 and \$100,000, respectively. The organization makes annual contributions to the plan as determined by the organization's finance committee. Effective July 1, 2000 all staff employees are covered under the New Jersey Public Employees Retirement System and do not accrue any further benefits under this plan. Total employer contributions disbursed during the years ended June 30, 2021 and 2020 to the New Jersey Public Retirement System were \$570,075 and \$504,778. A comparison of accumulated plan benefits and plan net assets at the most recent valuation dates, July 1, 2021 and 2020 are presented below:

	<u>June 30, 2021</u>	<u>June 30, 2020</u>
Vested	\$ 2,730,578	\$ 2,711,273
Non-Vested	<u>40,756</u>	<u>55,249</u>
	<u>\$ 2,771,334</u>	<u>\$ 2,766,522</u>
Net Assets Available for Benefits	<u>\$ 6,452,908</u>	<u>\$ 5,165,075</u>

**NOTE 4: RELATED PARTY TRANSACTIONS**

The New Jersey Firemen's Home Medical Fund transferred a net \$2,613 and \$3,486 to the Operating Fund in the years ended June 30, 2021 and 2020. Investment fees and bank charges were included in the net transfers. Net transfers to the New Jersey Firemen's Home Property Fund of \$3,536,263 and \$2,235,816 were made in the years ended June 30, 2021 and 2020. Expenditures for additions are made by the Operating Fund and recorded as interfund transfers. Administrative expenses (consisting primarily of accounting, auditing and actuarial services) of \$21,601 and \$34,238 were paid by the Operating Fund on behalf of the Pension Plan in the years ended June 30, 2021 and 2020.

**NOTE 5: CONCENTRATIONS**

The primary source of support is the grant of \$10,995,600 received from the New Jersey State Firemen's Association (Title 54.18-8), which is the budget request for the year ended June 30, 2022. This amount represents 95% of total support. The budget request for fiscal year ended June 30, 2021 was \$11,843,000, which was received in fiscal year ended June 30, 2020 and represented 93% of total support.

**NOTE 6: RISKS AND UNCERTAINTIES**

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. declared states of emergency. The primary impact to the New Jersey Firemen's Home has been a reduced census and related guest fees. The Board of Managers has streamlined the application process in an effort to increase the census.

**NOTE 7: COMMITMENTS**

Effective August 15, 2005, the New Jersey Firemen's Home entered into a three year food services management agreement with Unidine Corporation, whereby Unidine Corporation will provide the food, preparation and service, including therapeutic diets for residents, staff, employees and authorized visitors. The initial term was for a three year period, and will renew for one year periods, unless terminated in writing. The cost is based on a daily rate (\$33.35 as of December 21, 2020, the most recent renewal date), and a minimum of 29,120 resident days. Total food service cost relative to this agreement was \$1,008,356 and \$1,017,634 for the years ended June 30, 2021 and 2020.

Effective October 17, 2006, the New Jersey Firemen's Home entered into an agreement with Healthcare Services Group Inc. (Healthcare) whereby Healthcare will provide all necessary management, supervision, labor and materials to perform housekeeping and laundry services on the premises of the New Jersey Firemen's Home. The New Jersey Firemen's Home will retain responsibility for definitive management of all Healthcare personnel performing under this agreement. All existing housekeeping equipment will be absorbed and utilized by Healthcare in performing its duties. Any repair of, replacement of, or addition to housekeeping equipment will be the responsibility of the New Jersey Firemen's Home. The value and utilization of the existing housekeeping equipment was a consideration in determining the service price. The term of service began on October 17, 2006, and will continue unless cancelled by either party, with 90 days written notice. Healthcare must be paid in full on the date of termination.

Total expense relative to this agreement was \$417,700 and \$402,883 for the years ended June 30, 2021 and 2020.

On June 28, 2013 the New Jersey Firemen's Home entered into a three year agreement with eHealth Solutions Inc., d/b/a SigmaCare, (since acquired by MatrixCare) whereby MatrixCare will provide a comprehensive Medical Software package allowing the New Jersey Firemen's Home to serve its guests' medical needs with greater efficiency and requires a minimum monthly payment of \$1,918. This agreement will continue with successive one year periods unless either party provides a written termination letter with a 120 day notice. Total expense relative to this agreement was \$23,648 and \$18,644 for the years ended June 30, 2021 and 2020.

On June 9, 2017 the New Jersey Firemen's Home entered into a five year agreement to lease office equipment. This agreement requires a monthly payment of \$627. Future minimum payments are as follows:

We have audited the statements of cash receipts and disbursements of the Operating Fund of the New Jersey Firemen's Home for the years ended June 30, 2021 and 2020, and our report thereon dated August 26, 2021, which expressed an unmodified opinion on those financial statements, appears on pages 1-2. Our audits were conducted for the purpose of forming an opinion on the statements of cash receipts and disbursements as a whole. The following supplementary information (Schedules 1-6, contained on pages 9-12) is presented for purposes of additional analysis and is not a required part of the statements of cash receipts and disbursements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the statements of cash receipts and disbursements. The information has been subjected to the auditing procedures applied in the audits of the statements of cash receipts and disbursements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the statements of cash receipts and disbursements or to the statements of cash receipts and disbursements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the statements of cash receipts and disbursements as a whole.

Trustees  
New Jersey Firemen's Home  
Employees' Pension Plan  
565 Lathrop Avenue  
Boonton, NJ 07005

We have audited the accompanying financial statements of the New Jersey Firemen's Home Employees' Pension Plan, which comprise the statements of net assets available for benefits and of accumulated plan benefits as of June 30, 2021 and 2020, and the related statements of changes in net assets available for benefits and of changes in accumulated plan benefits for the year ended June 30, 2021, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the New Jersey Firemen's Home Employees' Pension Plan as of June 30, 2021 and 2020, and the changes in its financial status for the year ended June 30, 2021 in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at Year End) and (Acquired and Disposed of Within Year), referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

EMPLOYEES' PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 1: Description of Plan**

The following brief description of the New Jersey Firemen's Home Employees' Pension Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

**General**

The Plan is a defined benefit pension. All non-union employees entered the plan on the July 1<sup>st</sup> nearest later of the last day of their first year of service and age 21. Effective July 1, 1998, only those employees who completed at least 1,000 hours of service in a plan year accrued pension benefits. Effective July 1, 1999, members of the Board of Managers are credited with 83 1/3 hours for each month they serve on the Board. Effective July 1, 2000, all staff employees are covered under the New Jersey Public Employees Retirement System and will not accrue any further benefits under this Plan.

**Pension Protection Act of 2006**

The Pension Protection Act of 2006 (PPA) was signed into law on August 17, 2006 and is generally effective for Plan Years beginning after 2007. PPA amended the Employee Retirement Income Security Act of 1974 (ERISA) under which increased responsibility had been placed on the Plan's Enrolled Actuary and the selection of the actuarial assumptions. In an attempt to strengthen the financial stability of all defined benefit plans, PPA substantially changed the way funding requirements are determined. The Worker, Retiree and Employer Recovery Act of 2008, which was signed into law on December 23, 2008, included technical corrections to PPA. The Moving Ahead for Progress in the 21<sup>st</sup> Century Act (MAP-21) was signed into law on July 6, 2012. The Highway and Transportation Funding Act of 2014 (HATFA) was signed into law on August 8, 2014. MAP-21 and HATFA contained Pension Funding Relief provisions.

The actuarial cost method (funding method) to be used to determine the Minimum Required Contribution under PPA is an unprojected unit credit cost method.

PPA prescribes the use of segment interest rates for determining the present value of benefits. These segment rates are based on the corporate bond yield curve for certain investment grade bonds that mature at three different times (less than 5 years, between 5 and 20 years, and after 20 years). Alternatively, a full yield curve can be used, if elected. PPA added the calculation of an Effective Rate which is the equivalent single rate that will produce the same accrued liability (the Funding Target) as the segment rates used for funding. PPA further prescribes the use of specific mortality tables which will be published periodically by the Secretary of the Treasury.

MAP-21 changed the method of calculating the segment interest rates resulting in a reduction in Plan liabilities and minimum required contribution. Beginning with the 2008 actuarial valuation, the prescribed assumptions will be reflected, where applicable, and revised each year.

The balance of the actuarial assumptions will continue to reasonably reflect the Plan's experience. As part of the annual report to the Internal Revenue Service, the Plan's Enrolled Actuary must prepare an "actuarial statement" which includes an opinion that these nonprescribed actuarial assumptions reasonably reflect the Plan's experience and expectations and represent the "best estimate" of anticipated experience under the Plan. No changes, other than those prescribed by law, are required at this time.

**NEW JERSEY FIREMEN'S HOME  
EMPLOYEES' PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 1 (Continued)**

**Pension Benefits**

Participants with three or more years of participation were previously entitled to annual pension benefits beginning at normal retirement age (65) equal to \$16.67 multiplied by benefit years, not to exceed 30 benefit years, to a maximum of \$500 per month and a minimum of \$100 provided they had 10 or more benefit years. Effective July 1, 2002, a participant's normal pension benefit shall provide a monthly payment equal to \$83.33 multiplied by his benefit years up to, but not exceeding 10 benefit years, to a maximum of \$833.33. The Plan permits early retirement at age 55 with a minimum of 10 years of service. Participants may elect to receive their pension benefits in the form of a joint and survivor annuity. If participants terminate before rendering 5 years of service, they forfeit the right to receive the portion of their accumulated plan benefits. Effective July 1, 2005, normal retirement date has been amended to be the first of the month after the age 62 (from 65) and the later completion of three years of plan participation.

**Death Benefits**

If a participant dies before benefits commence, but after the interest in the Accrued Benefit has become vested to some extent, his/her Spouse shall receive the survivor annuity benefit which would have been payable if the participant had elected to receive the Standard Annuity commencing the day before death, or, if the participant had not yet reached the earliest retirement age under the Plan, the benefit which would have been payable based on the actual Accrued Benefit but assuming that the participant had survived to the earliest retirement age under the Plan, had elected to receive the Standard Annuity, and had died on the following day, subject to the same actuarial reduction normally applicable on account of the commencement of benefits before the Normal Retirement Date. The Administrator may pay the Spouse, in lieu of monthly payments, a lump sum which is the Actuarial Equivalent of the survivor annuity, provided the lump sum is less than \$5,000.

If the participant dies before benefits commence while in active service, but after Normal Retirement Date, the Spouse, if any, shall receive the survivor annuity benefit which would have been payable assuming that the participant had elected to receive the Standard Annuity, and had died on the following day.

If the participant dies after benefits commence, any remaining benefits under the Standard Annuity or the alternative benefit form, if any, that was elected shall be paid to the Spouse or other Beneficiary, as the case may be.

**Disability Benefits**

If Service is terminated by Disability, the participant shall be eligible to receive a Disability Pension Benefit. The Disability Pension Benefit shall provide monthly payments of an amount such that the benefit is the Actuarial Equivalent of the Accrued Benefit at termination. If the participant is disabled, he/she may not elect to receive an alternative form of benefit other than the Standard Annuity. Disability Pension Benefits shall begin on the first day of the month following the fifth full calendar month of Disability, and shall end only if Disability ends before the Normal Retirement date. A participant will not be considered disabled unless he/she qualifies for disability benefits under the Federal Social Security Act or Veterans Disability Act.

**NOTE 2: SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisers and custodian. See note 5 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

**Actuarial Present Value of Accumulated Plan Benefits**

Accumulated plan benefits are those future periodic payments, including lump sum distributions, that are attributable under the plan's provisions to the service participants have rendered. Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated participants or their beneficiaries, (b) beneficiaries of participants who have died, and (c) present participants or their beneficiaries. Effective July 1, 2002, benefits under the plan are based on participants' benefit years multiplied by \$83.33 per year not to exceed \$833.33 per month. The benefits payable under all circumstances - retirement, death, disability, and termination of employment - are included, to the extent they are deemed attributable to participant service rendered to the valuation date.

The actuarial present value of accumulated plan benefits is determined by an actuary from BPAS Actuarial and Pension Services, LLC, and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

The significant actuarial assumptions used in the valuations as of July 1, 2021 and July 1, 2020 were life expectancy of participants. The base mortality tables for July 1, 2021 and July 1, 2020 are the sex distinct RP-2014 mortality tables for healthy annuitants adjusted backwards to 2006 with Scale MP-2014. The base mortality table is adjusted by projecting mortality improvements using Scale MP-2017 from the year 2006 through 2019 with an additional projection period of 8 years for males and 9 years for females. For ages below 80, the additional projection period is increased by one year for each year below 80; for ages above 80; the additional projection period is reduced (but not below zero) by one third year for each year above 80.

The interest rate used to discount the obligation for July 1, 2021 and July 1, 2020 was 7%, including a reduction of 0% to reflect anticipated administrative expenses associated with providing benefits.

**NEW JERSEY FIREMEN'S HOME  
EMPLOYEES' PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 2 (Continued)**

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as July 1, 2021 and July 1, 2020. Had the valuations been performed as of June 30, there would be no material differences.

**Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

**Subsequent Events**

Subsequent events have been evaluated through August 26, 2021, which is the date the financial statements were issued.

**NOTE 3: FUNDING POLICY**

The New Jersey Firemen's Home's funding policy is to make annual contributions to the Plan in amounts that are usually within the minimum required contribution and maximum recommended contribution as computed by BPAS Actuarial and Pension Services, LLC. The minimum required contributions were \$104,078 and \$94,682 for years beginning July 1, 2020 and 2019. The Finance Committee of the Plan sponsor elected to contribute \$12,000 and \$100,000 in plan years ended June 30, 2021 and 2020.

**NOTE 4: PLAN TERMINATION**

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide the following benefits in the order indicated:

- Benefits former participants or their beneficiaries have been receiving for at least three years, or that employees eligible to retire for that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable or would have been payable under plan provisions in effect at any time during the five years preceding Plan termination.
- Other vested benefits insured by the Pension Benefit Guaranty Corporation (PBGC) (a U.S. governmental agency) up to the applicable limitations (discussed below).
- All other vested benefits (that is, vested benefits not insured by the PBGC).
- All nonvested benefits.

**NEW JERSEY FIREMEN'S HOME  
EMPLOYEES' PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 4 (Continued)**

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination. However, there is a statutory ceiling on the amount of an individual's monthly benefit that the PBGC guarantees. That ceiling applies to those pensioners who elect to receive their benefits in the form of a single-life annuity and are at least 65 years old at the time of retirement or plan termination (whichever comes later). For younger annuitants or for those who elect to receive their benefits in some form more valuable than a single-life annuity, the corresponding ceilings are actuarially adjusted downward.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at that time, of the Plan's net assets to provide those benefits and may also depend on the level of benefits guaranteed by the PBGC.

**NOTE 5: FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 5 (Continued)**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs other than quoted market prices included in Level 1 that are either directly or indirectly observable for the asset, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when level 1 or Level 2 inputs are not available.

**Level 1 Fair Value Measurements**

The fair value of certificates of deposit, mutual funds, money market funds, US Government Securities and preferred stocks is based on quoted net asset values of the shares held by the Plan at year end.

**Level 2 Fair Value Measurements**

The fair value of corporate bonds is based on quoted prices for similar assets in active markets.

**NOTE 6: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic, and on March 13, the President of the United States declared a national emergency relating to the disease. In addition to the President's declaration, state and local authorities have recommended social distancing and imposed quarantine and isolation measures on large portions of the population, including mandatory business closures. These measures are designed to protect the overall public health, however are expected to have material adverse impacts on domestic and foreign economies.

As the result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact the pandemic will have.

EMPLOYEES' PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2021 and 2020**

**NOTE 7: TAX STATUS**

The plan obtained its latest determination letter on September 28, 2018, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code (IRC). The Plan has not been amended since receiving the determination letter.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8: ADMINISTRATIVE EXPENSES/RELATED PARTY TRANSACTIONS**

Certain administrative expenses of the Plan are paid by the Operating Fund of the New Jersey Firemen's Home. For plan years ended June 30, 2021 and 2020 those expenses, consisting primarily of fees paid to actuaries and auditors, were \$21,601 and \$34,238, respectively. Those expenses are excluded from these financial statements. Certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

## Division of Fire Safety

Over the last sixteen months, serving on the front lines throughout the pandemic was no easy task. Fire, EMS and other first responders continue to work around the clock to respond, assess and mitigate emergencies as COVID-19 begins to resurface nationwide. Please know that the N.J. Division of Fire Safety stands with you and we are here to help.

I cannot say enough about the entire staff here at the Division of Fire Safety. Other than being forced to work entirely remotely for the first four months of the pandemic, it was business as usual for our staff. On top of the multitude of duties that must be carried out daily, the additional jobs and adaptations that the pandemic dropped on us all sometimes felt insurmountable. But, in true fashion, the staff at the Division, and the entire fire service, rose to the occasion and continued to serve New Jersey's citizens with dedication and professionalism.

To say the coronavirus pandemic has been stressful would be an understatement. Many citizens were lucky enough to work from home and isolate as much as possible. For firefighters, just the opposite occurred. We saw our workload and stress levels increase and staff sizes diminish as first responders and our families become ill or are quarantined. As a vocation that is built on teamwork and communication, isolation and social distancing just wasn't possible. The relationships we've established with our teammates are the foundation upon which the team is built. Relationships based upon trust are a key element to building an effective firefighting team. In our profession this trust is something that runs very deep. We do not just have to trust our teammates to get the job done, we must trust them with our lives.

No one knows how long this situation will continue. It seems that we are finally coming out of it now. As first responders, we are on the front lines of our nation's response to all emergencies. The challenges we face are immense and the toll of our work on our mental health can be significant. A crisis such as the pandemic can play on people's emotions, including even the hardest and most cynical first responders who have "seen it all." If you see signs in yourself or in a coworker of increased agitation, anger, short temper, or a feeling of stress or panic, address it immediately. Not managed, these concerns can manifest quickly and start causing ongoing challenges.

If the job is getting to you, and the heightened sense of crisis or panic is a little more than you were prepared for, use the resources available to you: Talk to a peer support person, use your EAP or call a counselor. Beginning this summer, the NJ Fire and EMS Crisis Hotline will be up and running. Call the hotline to vent and tell them of your worries and concerns. Take the opportunity to let someone listen to you who won't judge you.

If you start to show physical signs of illness, call your doctor. No time is the time to ignore symptoms or to be tough and feel like you're immune to risk. Take good physical and mental care of yourself so that you can keep taking care of others who aren't as prepared as you.

Focus on the positive, know that these problems have solutions and remember you've already made it through many other tough situations. Lean on those around you and encourage them to lean on you. Be your brother's keeper.

Be well and be safe!

Rich Mikutsky

Director, N.J. Division of Fire Safety

**The  
New Jersey State  
Exempt  
Firemen's Association**

**WHO WE ARE:**

The New Jersey State Exempt Firemen's Association is an organization that was formed for the charitable purpose of organizing and coordinating all the local exempt fire associations in the state of New Jersey, thus lessening the burden of government in this process. The NJSEFA also provides a venue for mentoring and support within the ranks of the fire service from those members who have earned their exemption and from their experience can lead and assist the new members of the fire service as they take up the protective fire service in both career and volunteer fire departments.

The founders of this organization were people who had the foresight and the understanding that as time moved on, the fire service in New Jersey would change and that our "Great Association" would be there to assist the fire service in meeting those new challenges.

The NJSEFA has a web site that is provided as a service to our members, and to the fire service of New Jersey. It is our hope that this web site will provide even easier access to the benefits and services that we provide the fire service of New Jersey, as well as encourage communication between and among our members.

***Benefits and Services*****WHAT DOES THE NJSEFA DO FOR ME?**

Your local exempt association elects an **exempt delegate to attend the NJ State Firemen's Convention in Wildwood**. Exempt firemen who are members of a local associations that comprise the state association have a significant impact when supporting or opposing pending matters. Numbers are important.

A **Legislative Committee** keeps you abreast of state senate and assembly bills which can affect you in a positive or negative way. Several experienced members on a statewide basis form a body of knowledge that can educate fire fighters about their rights.

**MEMORIAL FLAGS** and **MEMORIAL MARKERS** are sold by the State Association as a service to its members. These items honor a deceased exempt fireman.

**Exemption from jury duty**, is not automatic. Your exempt firemen's certificate must be recorded in the County Clerk's office. Questionnaires from your County Jury Commissioners must be answered properly and returned promptly.

**Tenure in office** applies to positions in government that are not for a fixed term and not protected otherwise, such as by Civil Service. Assistance in this area, if required, may be provided by the state association.

**A one-day convention is held annually.** Local associations can also host this event in conjunction with their own department event and or parade.

**OTHER SERVICES** A free hawker's license. It may not be as popular as in the past however the law exists.

***Donations and Gifts*****GIFTS THAT TRANSCEND TIME**

One of the most meaningful ways to support the New Jersey State Exempt Firemen's Association is by making a deferred or planned gift. Generous and thoughtful planning today will have an extraordinary positive impact on the future of the State Exempt Firemen's Association and on exempt firefighters. Some of the many types of planned gifts to consider are:

1. Bequests through will and trusts
2. Beneficiary designations
3. Life insurance policies
4. Life income gifts

For more information about how you can support the New Jersey State Exempt Firemen's Association through careful estate planning, contact your estate planning advisor or attorney.

*Donations other than planned or deferred gifts are also graciously accepted. Arrangements for such gifts may be made by contacting our Association Treasurer John Leo Fedorka at 732.727.9659 or email [jlf57@aol.com](mailto:jlf57@aol.com)*

***Scholarship Information*****THE FIRE SERVICE SCHOLARSHIP PROGRAM**

The New Jersey State Exempt Firemen's Association established the Fire Service Scholarship Program to enhance, through academic achievement at the college level, the quality of leadership in the fire and emergency services, life safety field and public safety field, and to assist those individuals in their efforts to pursue academic advancement in a fire service-related field.

Greetings from the members of the Executive Board, Trustees and the over 800 members of the New Jersey State Fire Chief's Association. This association represents both Career and Volunteer Officers. Membership is open to all current and retired Chief's, Battalion Chief's, Deputy Chief's, Assistant Chief's, Captain's and Lieutenants. Please visit our website for an application.

This association prides itself on training, education, information and the ability to represent all officers on both the State and National level.

We are excited to work with the Eastern Division of the International Association of Fire Chiefs. Special congratulations to our members who were appointed to their Executive Board. 2<sup>nd</sup> Vice President Joe Cunningham and NJ State Director Christopher Burnett.

This year we have provided online training hosted by Chief David LeBlanc, Harwich, MA, Deputy Chief Billy Goldfeder, Loveland-Symmes, OH, Chief Tiger Schmitendorf, Evans Center, NY, along with our own Chief Anthony Correia and Chief Scott Eskwitt. These were all exceptional programs on leadership, command, recruitment and retention.

We have supported the Leukemia & Lymphoma NJ Chapter, American Lung Association, National Fallen Firefighters Foundation, NJ Fire Museum and the NJ Fallen Firefighters Memorial. We continue to provide information on safety and best practices. Over the next twelve months we will work harder to push for firefighter safety, health and fitness. We look forward to bring new programs to the State.

We offer Scholarships and have the following awards which are presented at our Annual Wildwood Convention. Chief of the Year, Valor Award, Meritorious Award & Unit Citation. Though out the year we also recognize Eagle Scouts who have an active role in Fire Departments or have direct family member who are members of our association.

We are partners with great organizations which provide excellent benefits. These partners are Lexipol, AT&T FirstNet, VFIS, Police & Fire Federal Credit Union, NVFC, Western Fire Chief's Association, FireRescue GPO, IAFC, Congressional Fire Services Institute, California Causality, Firehouse Magazine, NJ State Fire Chief's Parade Judges Association, RING.com & Working Advantage

Each quarter we publish *The Five Trumpet Journal*. This newsletter is packed with critical information for officers. This newsletter is printed and mailed four times per year.

In closing, we wish the best for the current elected Executive Board of the New Jersey State Firemen's Association and all the Executive Committee Members. We truly appreciate your continued support.

**The Burn Center at Saint Barnabas Medical Center**

The Burn Center at Saint Barnabas Medical Center, located in Livingston, is New Jersey's only state-certified burn treatment facility. Established in 1977, The Burn Center provides state-of-the-art treatment for nearly 400 patients a year in its 12-bed Intensive Care Unit and 18-bed Step-Down Unit. The Wound and Burn Outpatient Center receives about 6,000 patient visits annually. Forty percent of those treated are under the age of 18, with approximately twenty-five percent under the age of two.

The Burn Center also serves as a leader in disaster management, developing a burn mass casualty response plan that features a Burn Medical Coordination Center designed to interface with local, state and federal agencies, implementing a tiered response plan of triage and transport nation-wide.

In keeping with its mission, "The Past we can't change.....*the Future we can.*" The Burn Center at Saint Barnabas offers a host of fire safety, burn prevention programs to various schools, community groups, organizations, and business and industry. Clinical education focuses on initial management, as well as preparing students for on-site rotations. All programs are available at no cost.

Help us help! Whether you are a private citizen or represent one of New Jersey's many fire departments, schools or corporations, you are one of The Burn Center's greatest resources. Only through the generous support of friends can The Burn Center continually strive to reach its mission of offering hope to burn survivors and their families at a time when it is needed most. Want to get involved? Support Aluminum Cans for Burned Children (ACBC) recycling program. Participate in one of our already established fundraising efforts such the Carlos Negron Race, 5 Alarm 5K Race/Walk®, or create your own event.

## About the Burn Center

The Burn Center at Saint Barnabas Medical Center, verified since 1999 by the American College of Surgeons (ACS) and the American Burn Association (ABA), is New Jersey's only certified burn treatment facility.

Since its establishment in 1977, The Burn Center is one of the largest and busiest centers in the United States, treating tens of thousands of people in one of its specialty areas that includes:

- ▶ 12 bed Intensive Care Unit
- ▶ 18 bed Step-down Unit
- ▶ The Center for Wound and Burn Healing

The Burn Center at Saint Barnabas features two state-of-the-art hydrotherapy rooms for the management of burn wounds. A specialized rehabilitation room, staffed by highly trained physical and occupational therapists fosters the return of range of motion to minimize loss of function commonly associated with burn injuries.

A dedicated team of professionals with unparalleled clinical experience provides a full range of diagnostic and therapeutic services for both adults and children recovering from burns.

More than just physical injuries are treated at The Burn Center. Support groups for patients, families and friends are offered to help cope with the anger, guilt and frustration often associated with the recovery process.

## Prevention and Education

The burn team at Saint Barnabas understands that the best way to treat a burn is to prevent one. Staff continually strives to promote fire prevention and awareness. Award-winning programs, including a nationally recognized "Fire Is..." web-based program teaches community groups, industry, children, adults and senior citizens techniques to minimize burn injuries in the home, at work or school. Programs are tailored to meet specific developmental stages and are conducted throughout the state. Two mobile Fire Safety House trailers feature common home fire hazards designed to teach third graders effective safety skills and escape techniques. A comprehensive psycho-social program on juvenile fire setting behaviors screens at-risk children.

The Burn Center also partners with fire departments and state agencies to distribute smoke alarms in high risk areas.

### **Clinical Education**

---

Clinical educators provide continuing education programs for medical professionals, hospitals, nursing schools and pre-hospital emergency personnel. Programs focus on emergent, acute, and rehabilitative care of the burn patient, with a special emphasis on guidelines for safe transfer to The Burn Center. Due to the nature of their profession, firefighters are at special risk for burn injury or smoke inhalation. A variety of educational programs focusing on ways to minimize these risks and promote good health are also offered.

- All programs are available at no cost and may be scheduled by contacting **Burn Community Programs at 973-322-8071**, or by visiting our web site at [njburncenter.com](http://njburncenter.com)

### **A National Leader in Burn Mass Casualty Response**

---

The Burn Center at Saint Barnabas has taken a leadership role in disaster response. In 2005 twenty-seven burn centers throughout the northeast region incorporated to form the Eastern Regional Burn Disaster Consortium (ERBDC). A first of its kind in the nation, the Consortium is designed to manage catastrophic burn disasters, in collaboration with the American Burn Association and local, state or federal partners.

### **Generosity & Support**

---

Help us help them! Whether you are a private citizen or represent one of New Jersey's many fire departments, schools or corporations, you are one of The Burn Center's greatest resources. Only through the generous support of friends can The Burn Center continually strive to reach its mission of offering hope to burn survivors and their families at a time when it is needed most.

Want to get involved? Support Aluminum Cans for Burned Children (ACBC) recycling program. Participate in one of our already established fund-raising efforts such the Carlos Negron Race, 5 Alarm 5K Race/Walk®, or create your own event. No experience is necessary and staff is available to assist you by providing sample press releases, information packets, guest speakers or other guidance as needed. **Firefighters & Cancer Risk: Partnering with the Leukemia & Lymphoma Society (LLS) New Jersey Chapter**

The mission of LLS is: *Cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.*

- ◆ Every 3 minutes, someone is diagnosed with a blood cancer; every 9 minutes, someone loses their battle.
- ◆ Blood cancers are the 3<sup>rd</sup> leading cause of cancer deaths in the U.S.
- ◆ More than 33% of blood cancer patients do not survive five years after diagnosis.

LLS has invested nearly \$1.3 billion in research since 1949. This has led to game-changing advances in immunotherapy, genomics and personalized medicine. The treatments they've pioneered for blood cancers are now saving the lives of people affected by many different types of cancer. Over the past 2 years alone, LLS has helped advance 44 of 50 blood cancer treatments approved by the FDA. Here in NJ, LLS helps families by providing financial and emotional support; this past year, it awarded over \$1.5 million in co-pay assistance to blood cancer patients in NJ.

Multiple studies have found that firefighters are at an increased risk for several types of cancer due to the smoke and hazardous chemicals they are exposed to in the line of duty.

**Why is there an increased risk for cancer?**

1. Homes and buildings contain synthetic and plastic materials that create more smoke when burning than natural materials, releasing polycyclic aromatic hydrocarbons (PAHs), many of which can cause cancer. Cancer-causing agents are called "carcinogens."
2. Firefighters may also encounter other known carcinogens (such as asbestos and diesel exhaust) when on the job.
3. Carcinogens are both inhaled and absorbed through the skin. Even when wearing the proper gear, the carcinogens can still penetrate the gear and expose the skin.

**Some steps firefighters can take to reduce the risk:**

1. Wash yourself as soon as possible after every fire.
2. Clean, care for and store gear properly.
3. Always wear appropriate gear and breathing protection whenever exposure is possible such as during overhaul and investigations.
4. Inform your doctor about being in the fire service – even if you are a volunteer or retired. Ask about a schedule for cancer screenings.
5. Reduce exposure to diesel exhaust from the fire truck.
6. Follow a healthy lifestyle.
7. Track your exposure.

Visit [LLS.org/FireFighters](http://LLS.org/FireFighters) for more information and a full list of ways firefighters can protect themselves.

**How can our community support the LLS mission?**

Next May 2022, join LLS in the fight to cure cancer by participating in **Big Climb New Jersey!** Challenge yourself to climb 26 flights of stairs to the top of One Gateway Center in Newark, NJ and raise critical funds in support of cancer research and patient services. During your climb, you will see inspirational stories of survivors and the impact LLS is making, all while getting cheered on to reach the top! A Gift  
from Captain  
Buscio

### A Message from Donna Buscio

Dear Friends,

My late husband Captain Dominick Buscio was a dedicated fire captain of the Jersey City Fire Department. Dom was a wonderful husband, father, brother and son to his family, and a true friend to all who knew him. At the age of 39, his life was unexpectedly taken when he suffered a heart attack during our ski vacation. Dom was the picture of health. In fact, the results of a complete physical he had only 19 months before his death were normal, except for the presence of a moderately high cholesterol level. Since he was found to be healthy at that time, he decided not to return for his annual physical the following year. While many people his age make the decision not to seek regular checkups, in his case, it resulted in an inconceivable loss to all of us.

I am sharing our experience with others because I have found that my husband's death was not a rarity. Heart attacks are the largest single killer of firefighters. For that very reason, I created the program "A Gift from Captain Buscio," which began in Jersey City and now spans across the State of New Jersey to offer strictly confidential, comprehensive cardiovascular and pulmonary evaluations to all firefighters, police, and first responders. These annual examinations are provided by board certified cardiologists and pulmonologists from Cardio Pulmonary Diagnostic.

My intention is not to instill anxiety. On the contrary, it's to provide an opportunity for peace of mind. I'm quite certain that this program would have had Dom's full support, given the current limited opportunities for firefighters to obtain physicals.

For me, this program, which was founded in Dom's memory, is an attempt to keep your occupational risk limited to fighting fires, reducing crime and providing aid to those in need.

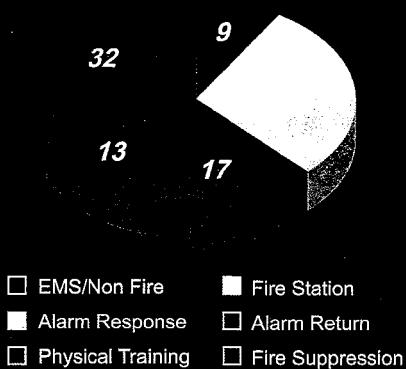

This pamphlet provides you with details on the program and how you may benefit from it. If you have any questions or concerns regarding information other than what is available on the [captainsgift.com](http://captainsgift.com) web site, please contact me at [dbuscio@captainsgift.com](mailto:dbuscio@captainsgift.com).

Sincerely,

*Donna Buscio*

## STATISTICS TELL THE STORY

### Activity During Cardiac Event

**Nearly half of all on-duty firefighter deaths are due to cardiac cause**

Non-Cardiac Death 55%	Cardiac Death 45%
New England Journal of Medicine "Emergency Duties and Deaths from Heart Disease among Firefighters in the United States"	

### How "A Gift from Captain Buscio" Works

All current and retired firefighters, police, and emergency responders, and their colleagues are invited to participate in the program throughout the State of New Jersey. They will then have an opportunity to receive confidential comprehensive Cardiovascular and Pulmonary medical evaluations. The medical facility will take the responsibility of billing the Participant's insurance provider (note that the doctors and/or facility may be an out-of-network provider). These annual examinations are provided by Cardio Pulmonary Diagnostic and their network of providers.

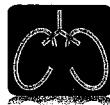

The dedicated team of Providers and Board-Certified Cardiologists and Pulmonologists have generously offered firefighters, police, and emergency responder medical care since 2001 that is specific to their profession.

Testing will be provided based upon each participant's medical history. Testing may include laboratory, x-ray, pulmonary functions testing, cardiovascular screening, and sleep study. Upon completion the participant will be provided with a medical report which they can use at their discretion.

All visits will be scheduled by appointment. Please be prepared to answer questions regarding your personal family, medical and surgical history, your primary care physicians address and contact number. Bring any recent testing or examination results from another healthcare provider and a list of all medications that you may currently be taking. Fasting the previous night is required for blood work, which is part of the evaluation.

Bring your work ID and/or driver's license along with your insurance card.
